

Block size: 6 1/2"

Finished size: 6"

Fabric: Gray for snowflake and background

Purples for 6-pointed star

Embellishments:

Fabric was painted with Tulip Crystals fabric paint (Color: Icicle) before cutting the snowflake. After the paint has thoroughly dried, cut the snowflake and fuse using the lowest possible heat setting for the fusible web to avoid melting the "metallics" in the paint.

Star was outlined/quilted using Kreinik white metallic blending filament.
