

Block Size: 6½"

Finished Size 6"

Fabric: Black or neutral background

6 – 2" X 7" scraps in rainbow colors or your choice of fabric

1 yards of embellishment thread

Block Construction:

1. Machine stitch the fabric rectangles to the background in the order given.
2. After each piece is stitched, trim close to the stitching to create the 'wave'.
3. Using 2 strands of gold metallic thread whip stitch or couch the embellishment thread along the machine stitching.

Tip:

Use the pattern as a guide for the stitching – like paper piecing.
