

Block Size: 6½"

Finished Size 6"

Fabric: Greens for the leaves and a neutral background.

Embellishment: Dark green or brown/green embroidery floss for the stems.

Your choice of 3 to 4 shades of embroidery floss for the flowers plus a contrasting color for the centers.

Block Construction:

1. Appliqué the leaves to the background in the order given.
2. Using the dark green or brown/green floss, stem stitch the stems.
3. Using the darkest flower shade, outline the flower petals. Fill-in the flowers with French knots.

Tips:

The fabric was presoaked in BubbleJet Set® and ironed onto freezer paper. The design was printed onto the background using an inkjet printer. Printing the design on the fabric makes it easier to embroider.
