

Block size: 6 ½"

Finished size: 6"

**Fabric: Light blue background
2 shades of yellow**

Embellishments:

Metallic silver fabric paint for sunglass lenses (paint before cutting fabric)

Black fabric paint for sunglass frames (paint before cutting fabric)

Cut a circle or two of polyester bat slightly smaller than the sun face and use it for stuffing

Kreinik Metallic Gold Cord to outline sunglasses and to outline/quilt around sun and rays

Kreinik Metallic Silver Cord to outline sunglass lenses

Tip: This block can be appliquéd using 3 pieces of fabric. Make two 7-pointed "stars" using every other "ray" as a guide. Appliqué one star and rotate the second so the rays fall between the first. The 3rd piece of fabric is the circle for the "face". The center section of the stars, under the face, can be cut away to reduce bulk.
