## About the Fabric

Quality 100% cotton with a high thread count and tight weave is used for all my hand dyes.

## About the Color and Price Lists

All of the fabrics are available in sets or individually. Fabric descriptions and prices (in US Dollars) are detailed on the Color and Price Lists. Depending on the style, the fabric may be available in lengths greater than 1 yard. Call or e-mail for additional information.

## Save on Sets & Postage

Buy 2 sets and get the 3<sup>rd</sup> at ½ off. This every day sale pricing does not apply to the Fabric of the Month, bargain fabrics, kits or individual pieces and cannot be combined with other specials. Free postage on orders \$50.00 and over to US Postal Codes only. For US orders under \$50.00, \$5.00 or the actual amount of postage if lower.

## Care Instructions

The fabric is thoroughly rinsed and washed to remove any excess dye. Fabric softener is used to restore the 'hand' and to facilitate ironing. It is preshrunk and colorfast. However, it should be washed separately, one more time, before using in a washable project. Please do not use bleach or detergent with bleach.

If the fabric is combined with commercial fabrics and will be subsequently washed, you may want to preshrink the commercial fabric to avoid distortions later.

Prolonged exposure to direct sunlight may cause fading.

## Guarantee

Variations in color and intensity within each piece should be expected. If you are not satisfied with your fabric, please return the intact pieces, within 10 days of receipt, for a full refund (exclusive of postage).
